

SPECIFICATION

Range: **BAFFLE OVERSIZE**
Design: **Marc Sadler**

“Snowsound Technology” sound-absorbing element, suspended from the ceiling with cables.

Panel description:

Both faces with convex section 36 mm thick, consisting of an internal padding in variable density polyester fiber. The density decreases moving towards the heart of the panel, which is covered on both sides with Trevira CS® polyester fabric, solidly applied to the padding. The panel is double sided, with same characteristics on both sides. It is characterized by the rigid edge obtained by the manufacturing process itself, without any supporting and/or stiffening frame.

The panel has an **Italian Class1** fire reaction and **Euroclass B-s2, d0**.

The panel is **Greenguard Gold** certified, which validates its low VOC emission and its contribution to the quality of the indoor environment.

The panel is **100% recyclable** and has no detectable formaldehyde content according to UNI EN 717-2. It does not contain felts or other organic materials that are hardly recyclable.

The panel has been tested in reverberation chamber according to UNI EN ISO 354 and obtained “**Acoustic Absorption Class A**”, in accordance with UNI EN ISO 11654.

Panel dimensions: 159x119 cm
 119x119 cm
All formats can be used both vertically and horizontally

Fixing kit description:

The ceiling fixing kit consists of two elements with cruciform section, made in die cast chromed aluminium, with integrated mechanism that grant precise height adjustment of the cables by means of a pressure system with safety lock. Hidden screws fixed to the edge of the panel grant direct connection without the aid of other accessories. . The following elements attach to the above fixings: two steel cables \varnothing 1.5 mm and two circular plates in chromed steel \varnothing 40 mm equipped with two holes for anchoring screws to the ceiling.

The products described in this data sheet are **CE marked** according to the harmonized product standard EN 13964 for the intended use as a drop ceiling.
